Purchase Tickets
buy, stamp, ride

BUY FIRST
If you are not using a monthly or weekly ticket, you must purchase (and time-stamp) a ticket just before boarding light rail cars. Ticket Vending Machines (TVMs) are located on platforms at each station. Proof of Payment details are displayed on TVMs and Ticket Information posters at stations.

REMEMBER TO TIME-STAMP
You must time-stamp all one-way tickets and 10-trip tickets in Validators located near TVMs just before boarding light rail cars. To time-stamp your ticket, insert it into the time-stamp machine with the print side up and the NJ TRANSIT logo facing to the left. The machine will date and time stamp your ticket.

RIDE THE LINE
After you have time-stamped your ticket, simply get on board and ride. Each ticket is good for a single ride in one continuous direction of travel. NJ TRANSIT Fare Enforcement Officers make random ticket inspections on vehicles and at stations. Keep your ticket handy until exiting your station of destination, as you may be asked to show your ticket more than once during your trip. If you are a senior citizen or passenger with a disability and are traveling with a reduced fare ticket, you must provide a valid form of ID upon request.

FARE INSPECTION
Customers must present a valid proof-of-payment as listed above upon request. Fare violators are subject to fine under State law N.J.A.C. 16:87—Proof of Payment.
